DANTE ROBINO MALBEC

GRAPE: 100% Malbec

ORIGIN: First Area of the River Mendoza (Lujan de Cuyo) - Mendoza

ALCOHOL: 14%

VINTAGE: 2013

VINEYARD: Vineyards planted in 1960. Trellis vine, watered through furrows with melt water. Implanted in stony good-drainage soil in an area with a wide temperature range between day and night. The land is 900m above sea level. These vineyards are characterised by excellent sunlight typical of this wine region. The vineyard yield is 7 tons/ha.

WINEMAKING: The grape is harvested from selected well-kept vineyards, with high enological quality and low production. There is a phenolic ripen and sugar level monitoring of the vines up to the moment of grinding. Harvest is manual and grapes are stalked, refrigerated and fermented during grinding. From there, they are sent to small capacity vessels (100 to 300 HL); equipped with temperature panels that allow for refrigerant and hot water passage. Temperature is maintained at 25°C approximately. Alcoholic fermentation takes approximately up to 10 days and it is followed by the maceration process, which it spends between 10 and 15 days; the drain out moment is decided in function of the total polyphenol index, together with the respective tasting. The aproximate of 30% of the blend is aged in american oak for a period of 4 months. Followed by stabilization and bottling. After bottling the winemaker allows the wine to settle in the underground wine cellar for 6 months.

TASTING NOTES:

Lively plum red color with purple shades. Full bodied wine. Interesting aromas of oriental spices with gamy, animal underbrush. Prune, nutmeg and earthy notes combined with fresh violets and black olives. Delicate attack. Chewy texture and firm tannins. Fruity palate, full of cherries, prunes, sandal, incense, peach and chocolate. Nice backbone. Good finish with oaky notes

SERVING SUGGESTION:

Keep in a cool, dark place free of vibrations.

It is good with grilled meat, hard grain and blue cheeses, traditional pasta with heavy sauces.
